**MAYOR JERRY SANDERS  
PRESS RELEASE**

**Mayor Sanders Appoints Henry Roy to the  
Public Facilities Financing Authority  
Board of Commissioners**

**SAN DIEGO-** Mayor Sanders has appointed Henry Roy to the Public Facilities Financing Authority Board of Commissioners, subject to City Council confirmation.

Henry Roy, CFA, CMA, has more than 23 years experience in financial management, investment management, and banking, and has worked for various global financial institutions. His experience includes serving as a Government Financial Officer in the United States and Canada for the Comptroller General of Canada, and developing and managing investment plans for multi-billion dollar pension plans. From 1991-1998, Mr. Roy was an Investment Officer for Avenor, Inc., and managed corporate pension fund assets. Currently, Mr. Roy is the Director of Finance for the Victor Valley Wastewater Reclamation Authority, a State of California Joint Powers Authority Enterprise Fund, where he oversees all financial matters of the Authority including financial reporting, debt issuance and management, operational and capital budgets, investments, and retirement plans. On behalf of the Authority, Mr. Roy has successfully coordinated the budgetary process for multi-million dollar capital & operations budgets. Previously, Mr. Roy was a Private Banker, Assistant Vice President, and Credit Analyst for Wells Fargo Bank in San Diego with responsibility for structuring high-value lending facilities for private companies, limited partnerships, and individuals. He was also a Financial Advisor for Merrill Lynch from 2000-2004.

Mr. Roy's professional affiliations include membership in the Government Finance Officers Association of the United States and Canada, California Municipal Treasurers Association, California Society of Municipal Finance Officers, and Society of Management Accountants. Mr. Roy has also been engaged in various civic activities and was a member of the Del Mar-Solana Beach Sunrise Rotary Club for four years.

Mr. Roy is a Certified Management Accountant and Chartered Financial Analyst. He received a Bachelor of Commerce degree with a concentration in Accounting from McGill University in Montreal, Canada. His extensive financial management expertise in the public and private sectors make him an excellent candidate to serve on the Public Facilities Financing Authority Board of Commissioners. Mr. Roy resides in Carmel Valley. He will replace L. Renee Comeau who has resigned.
